Arthur –

Does your email below constitute the Department's certification that the notices have been posted as required in the Court's March 19, 2013 order? The order requires a "certification" by the Department.

Thanks, Vasudha

I have been advised that all notices have been posted as required. I don't believe there is any requirement that certification be docketed.

Dear Arthur,

According to the Court's March 19, 2013 order (Dkt. 78), the Department of Correction was supposed to certify by April 19, 2013 that it had posted copies of the English and Spanish notice to the class in all law libraries, housing areas and receiving rooms of City Jails (as defined in the notice) where it is reasonably calculated to be seen by inmates in the area. We have not yet seen that certification filed on the docket in this case. If the Department has provided the certification, please let us know and provide us with a copy of that certification.

Thank you,  
Vasudha
